Goals of the Delmarva Goat Association

- Have a display within the Department of Agriculture promoting the industry during the County and State fairs
- Develop and maintain a website
- Maintain a roster of membership and interested parties
- Conduct a spring market and breeding show to benefit area youth interested in 4-H and FFA goat projects
- Conduct a market sale by weight and grade
- Develop a cooperative for market sales throughout the Eastern region of the United States
- Conduct sanctioned shows
- To become a resource for all producers and breeders in the region
- Conduct breeding stock sales

Mission Statement

The purpose of the Delmarva Goat Association is to promote the education, breeding, showing and marketing of all breeds of goats within the Delmarva region through networking, professional seminars, clinics, breeding and marketing services, and sanctioned shows.

Vision Statement

To promote the production of healthy, quality meat, dairy, hair and pygmy goats for breeding, showing and marketing in an economical manner.
